PLAYER GAME PROGRAM and Event Rules

Local raffle will donate all monies to Sea Haven Boys Home

Each player must bring a unwrapped Toy with a value of 20.00 or Cash Donations to participate. Each player must sign the Adventure Beach Paintball Park wavier to participate. Each player must have read the safety rules posted and/or attended a safety briefing. Cash Donation go to Sea Haven Boys Home

ABP encourages any business or Paintball teams to help with the event. Sponsorship is the donation to the events prize package, cash donations and giveaways. Minimum sponsorship 50.00

As a Sponsor you will receive your Name on a Banner Donated by The Sign Station in NMB. You will also be able to set up a Booth at the Event and promote your business. ABP will also put up any marketing material you may have or want to have displayed in the Pro Shop. See Sponsorship program attached.

Our Goal is to bring awareness to the US Marines efforts through the great cause called "Toys for TOTS" ABP wants you to know how much we appreciate your involvement to help other players who may not be as well off so they may participate. Event Promoters will limit players paint per game to help insure each player has a chance to play at least one game.

ABP will supply rental markers, Mask and Hoppers to players who do not have one. (Note due to marker availability markers may need to be shared among participants.)

Event Promoters will make available to individuals and groups to purchase additional paint at their option for there own use. Please be supportive of players if paint supplies run low purchase buy sponsors.

Game program:

Event Games will last 30 minutes and played every 1 hour starting @ 10:30 AM
Event Games will be a Attack and Defend timed game to hold or capture format style of play. Each side will start at opposite locations and must be holding the determined game base at the end of the allotted amount of time to win.

Regeneration/Respawn and Countdown

There is regeneration or respawn by returning to your home base and touching it when hit with a paintball or marked. This will last for the first 15 minutes. Then a ½ time horn will blow signaling no more respawn. Only then are you able to return to the game and continue to play. (Re-Generation or respawn bases will be designated by Orange and White Road Cones on the playing field in addition to your home or flag base. The game then will continue when the final 15 minutes of game time is concluded or the opponent's base flag has been flipped.

RULES AND REGULATIONS

1. GOGGLES: Goggles must be worn on the paintball field, target range and chronograph station, at all times. The first infraction of the goggle rule will result in a verbal warning. The second infraction will result in the offender sitting out of the next game. The third and final infraction will result in ejection from the field, WITHOUT refund.

2. Barrel Plugs: Barrel Plus must be in place AT ALL TIMES in the staging area. Barrel Plugs should be removed, only at the direction of the referee, at the start of a game. Barrel Plugs can also be removed prior to chrono graphing or using the target range. The Barrel Plug should be used as an indicator (when in place) of a neutral or

"eliminated" player. All player must have their Barrel Plug in place prior to leaving the playing field.

3. Eliminations: Any player who is marked (quarter size spot) with paint from a paintball (on or above the knees or on or above the elbows) will be eliminated. Hits on the lower legs, lower arms, or the marker are not considered eliminations. The accumulation of paint splatter to the size of a quarter, is sufficient for an elimination. In the event that a paintball does not break upon impact, or does not leave an adequate marking of paint, the player is not considered eliminated. Eliminated players should exit the field immediately, with the barrel plug in place, and the marker held above the players head.

4. Field Judges: In the event of a questionable hit, safety concerns or questions, a field judge can be called upon. The field judge can assist with equipment problems, perform paint checks or address safety issues. The field judge will make the final determination! Please refrain from shooting field judges.

5. Paint Checks: Request a field judge whenever a paint check is needed. Specify the area of the hit or indicate the opposing player that should be checked.

6. Use of the words "Hit" or "Out": The use of "Hit" or "Out" will ALWAYS indicate that the player saying the words is eliminated.

7. Surrender Rule: The option to surrender can be offered at any time on the field.

8. Paint Splatter: Splatter that has not accumulated to the size of a quarter is not a elimination.

9. Chronograph: The maximum velocity allowed is 280 FPS.

10. Flag Carry or Hang: The player carrying the flag must keep it visible at all times. If the flag carrier is eliminated, place the flag on the nearest tree or barricade, or give it to the nearest referee.

11. Field Boundaries: Crossing the boundary during a game indicates that the player is eliminated. Player are not allowed to shoot across boundaries.

12. No Physical Contact: Physical contact is not permitted and can result in ejection from the field, without refund.

13. Arguing with Field Judges: Arguing with official or field judges is not permitted. All calls made by the field judges are final.
